Price selected flight(s)**Continue****Important Fare & Schedule Information**

All fares and fare ranges are subject to change until purchased.

Flight ontime performance statistics can be viewed by clicking on the individual flight numbers.

All fares and fare ranges listed are per person for each way of travel.

"Unavailable" indicates the corresponding fare is unavailable for the selected travel date(s), the search did not meet certain fare requirements, or the flight has already departed.

"Sold Out" indicates that flight is sold out for the corresponding fare type.

"Invalid w/ Depart or Return Dates" indicates that our system cannot return a valid itinerary option(s) with the search criteria submitted. This can occur when flights are sold out in one direction of a roundtrip search or with a same-day roundtrip search. These itineraries may become valid options if you search with a different depart or return date and/or for a one way flight instead.

"Travel Time" represents the total elapsed time for your trip from your departure city to your final destination including stops, layovers, and time zone changes.

Along with our everyday low fares you may inquire about our discounts off the "Anytime" fare for [infant](#), [child \(2-11\)](#), and [military](#) fares by calling 1-800-I-FLY-SWA (1-800-435-9792).
